We are delighted that you have chosen to attend UHS next year, and look forward to seeing you and your parents/guardians soon! This email has a lot of helpful information and links to bookmark so please read carefully.

New Family Saturday will be on April 23rd this year from 9:00AM - 12:00PM. Please plan to attend this family event as you will hear from our Dean of Student Life, Dean of Teaching and Learning, connect with student admissions ambassadors and current UHS parents! We are working to put together an experience that will be meaningful and welcoming - more details will be shared soon.

Please follow [THIS LINK](#) for important details and **required forms** for Math, Language and Music (optional) placements. See each form for deadlines.

Some important dates to mark on your calendar:

- Monday August 22, 2022: 9th graders report to school for orientation
- Tuesday August 23, 2022: First day of classes
- 2022-2023 [Major Dates Calendar](#)

Revisit our [New Student Page](#)! On this page, you will find important information and helpful resources that we hope will make your transition to the UHS community as seamless as possible. Go ahead and bookmark the page as you will have plenty of reasons to revisit this often throughout the coming months. We will update with new information and add features as needed.

We would like to collect email addresses for incoming UHS students. Please complete [this form](#) and provide an email address that is not a parent or middle school email address. UHS placement test information and instructions on how to set up your new UHS student profile will be sent to this address.

If you haven't already picked up your **UHS Class of 2026 sweatshirt**, please email katelyn.cassell@sfuhs.org no later than **Friday, April 1st** with your preferred size (adult S, M, L, XL). These will be available for pickup on New Family Saturday.

Our faculty and staff want to start learning your faces and names, so be sure to send a family photo, including student and parent(s)/guardian(s), to familyphotos@sfuhs.org. Make sure your name is in the subject line and you include your family member/s' names in the body of the email.

Finally, it has been a true delight getting to know you through the application process, and we look forward to getting to know you even better over the next four years! Please let us know if you have any questions.

In an effort to ensure all families' needs are met, please complete [this form](#) if your family would benefit from additional access support.

Warm regards,

Nate, Katelyn, Free and Heather
